

Program Sequence on Boulder Creek Path Site

Entry/Arrival

Access to passage from existing path next to creek; passage made of same material as existing path, trees on either side of entry

Path/Passage

Wide path; organic curve to path to fit the geometry of the creek; random spacing between steps to slow the walker and discourage bikers

Text

Pause/Gathering

Slightly shaded area for yoga classes to occur; surrounded by nature; face mountains; in path of sun's trajectory

Pause/Gathering

Place for dog walkers to sit and watch/play with their dogs off leash in open area; plenty of benches; face mountains; ability to view sunset and the Ute Ladies'- Tresses Orchids on the site

Departure

U-shaped path to return users to original path alongside creek
